Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorised into benefit territories that match toddlers' ages and developmental stages.

**PLAY
TOGETHER**

LEGO® DUPLO® sets in the purple territory are designed to help toddlers practise playing together and solving problems. When included in social play, activities like matching and sorting, making comparisons, counting and recreating can help toddlers practise communication and taking turns. Offering instructions and guidance when you play along with them can create a safe environment to develop their social skills.
