

US/UK: The top of this paper roughly corresponds to the top of your console. Meaning when you place the paper against the wall to mark the holes, you can see roughly how high it is going to hang.

SE: Ovansidan av det här pappret motsvarar ungefär ovansidan av din konsol. Så när du håller pappret mot väggen för att markera hålen kan du se ungefär hur högt den kommer hänga.

NO: Oversiden av dette papiret tilsvarer omtrent oversiden av konsollen din. Når du holder papiret mot veggen for å merke av for hullene, kan du dermed se omtrent hvor høyt konsollen blir hengende.

DK: Toppen af dette papir svarer ca. til toppen på din konsol. Dvs. når du placerer papiret mod væggen til afmærkning af huller, kan du se, hvor højt den kommer til at hænge.

DE: Die Oberkante dieses Blatt Papiers entspricht ungefähr der Oberkante Ihrer Konsole. Wenn Sie das Blatt Papier also an die Wand halten, um die Löcher zu markieren, können Sie ungefähr sehen, wie hoch die Konsole hängen wird.

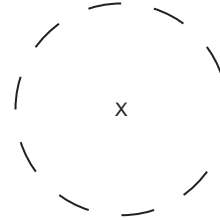

NL: De bovenkant van dit vel papier komt ruwweg overeen met de bovenkant van je console. Dus als je dit vel op de muur plaatst om de gaten te markeren, zie je ruwweg hoe hoog je spelcomputer komt te hangen.

FI: Tämän paperin yläosa vastaa suunnilleen konsolisi yläosaa. Näet siis suunnilleen, kuinka korkealle se asettuu, kun asetat paperin seinälle merkitäksesi reikien paikat.

ES: La parte superior de este folio se asemeja a la de tu consola a grandes rasgos. Esto quiere decir que, si lo colocas en la pared para realizar las marcas de los agujeros, podrás hacerte una idea de la altura a la que quedará.

IT: La parte superiore di questo foglio corrisponde approssimativamente alla parte superiore della tua console. Questo significa che, quando appoggi il foglio al muro per segnare i fori, puoi vedere all'incirca quanto in alto verrà fissata.

FR: Le haut de cette feuille est à peu près équivalent au haut de votre console. Cela signifie que lorsque vous mettez la feuille sur le mur pour marquer les trous, vous aurez une idée approximative de la hauteur à laquelle la console sera placée.
