NETFLIX

A NETFLIX SERIES

✂ KING OF THE PIRATES

ONE PIECE is a live-action pirate adventure series created in partnership with the original manga publisher, Shueisha, and produced by Netflix. Based on the most popular manga series in history by Eiichiro Oda (who executive produces), it has won the hearts of viewers of all ages. With the eternally enthusiastic Monkey D. Luffy at the helm, the story takes us on an unforgettable journey with the Straw Hat Pirates, driven by friendship, courage and big dreams. Young Luffy is determined to find the legendary pirate treasure, the One Piece, and become King of the Pirates. As they join Luffy's adventures along the way, his lovable 'not-a-crew' each reveal their own dreams, unique skills and sketchy pasts: Zoro the pirate hunter, expert cartographer and navigator Nami, Usopp the sniper and Sanji the cook. Equally complex and endearing, Luffy's friends add humour, depth and a deep-felt camaraderie to the story. *ONE PIECE* offers a unique take on the pirate genre, featuring quirky creatures and beings, exotic islands and charismatic foes that add layers to the lore of this rich fantasy world. With suspenseful plot twists, heart-wrenching revelations and light-hearted imagination, the story reminds us where we can find our own true strength and resilience: in the friends we make and the bonds we build.

✂️ “EAT AT BARATIE!”

Welcome aboard The Baratie, the most popular floating fish-/pirate ship-shaped restaurant in the East Blue. Famous (and infamous) for its upscale dining experiences, fateful battles and colourful clientele. A place where intrigue, adventure and danger stir below the refined surface. Where pirates and pillars of the community alike are lured in by savoury aromas and sounds of sizzling specialties. These wealthy crowds and the quick-tempered staff are overseen by Zeff, a peg-legged pirate with keen instincts and a soft spot beneath his gruff exterior.

Some of the most memorable moments in the *ONE PIECE* story unfold here – and inspired this model. When Luffy dodges his dining bill, Zeff puts him to work as a chore boy in the galley where he meets Sanji, a talented cook who dreams of one day travelling to the mythical ‘All Blue’. The Marines’ Vice Admiral Garp and Zeff reminisce about the past and realise it’s time for a new generation to rule the seas. Zoro challenges his idol, Mihawk, to a pivotal sword duel, leaving us breathlessly waiting for a resolution. Finally, the inevitable farewell scene between Sanji and Zeff tugs at the heartstrings of fans of all ages. Peruse the (oregano-free) menu of details on the following pages at your leisure.

THIS FISH DOES, INDEED, HAVE A BAR

Pirates and dreamers, villains and miscreants, hoist your Jolly Roger and plot your course.

It was important to make this model's exterior impressive and recognisable. However, we also wanted to create a beautiful interior with plenty of accessible space and whet your appetite for a creative building adventure! Prepare to build sideways, with curious element combinations, tapered curves and crooked angles, and bring all your LEGO® pieces together into one fascinating locale.

1 / A collection of treasures serves as fond reminders of Zeff's pirate days.
