“You missed me?”

- Around two years after Tony Stark unveiled his secret identity, he returns to the spotlight in signature style. His MARK IV suit steals the show at the Stark Expo. Iron Man is back! Never prone to modesty, Stark draws the attention of enemies old and new and becomes increasingly concerned about protecting his innovations – and his legacy.

LEGO MARVEL IRON MAN MK4

“It’s not about me.”

○ Featured at the beginning of Marvel Studios’ *Iron Man 2* (2010), Stark’s latest crime-fighting armour showcases his evolution in the striking red-and-gold titanium-alloy design. While this LEGO® version does not support JARVIS integration, it features an array of details that capture the advanced combat design and flight capabilities of Iron Man’s legendary MARK IV suit.

A close-up photograph of the LEGO Iron Man Mark IV helmet and chest piece. The helmet is primarily red with gold-colored details around the eyes and mouth. The chest piece is also red with gold accents. The background is a dark blue digital interface with binary code and various text elements like 'EUROPE', 'AMERICA', 'ASIA', 'AFRICA', 'SHOW BUSINESS', 'NETWORK', 'MUSIC', 'CINEMA', 'BUSINESS/FINANCE', and 'WORLD NEWS'.

Like most of Tony Stark's inventions, much of the technology behind the MARK IV mask is a well-guarded secret.

The retractable faceplate in the MARK IV is more advanced than in previous suits.

Stark, with his suit and helmet, can withstand brute force attacks from both friends and foes.
