🔍 LEGO® Builder

Welcome to LEGO® Art

Discover the regal strength and beauty of the Bengal tiger as you allow your creative powers to roam free. A dimensional and artistic expression from the LEGO® Art Fauna Collection, this vibrant piece of art celebrates our fascination with one of the world's largest felines.

Explore your territory / Display your way

LEGO® Art thrives outside traditional frames. Your Bengal tiger has absolute freedom to explore its new territory. You can customise the surrounding flowers, hang your artwork on a wall or use the display stand to place it on a shelf.

The Bengal Tiger

Panthera tigris tigris

For those of us who love cats (of all sizes), the Bengal tiger is an awe-inspiring subspecies. Up to 3 m (9.8 ft.) long and 250 kg (551 lbs.), this solitary hunter mesmerises us with its superior grace and piercing glare. Here, its striking signature stripes blend in with floral elements that grow in the tiger's natural habitats: India, Bhutan, Myanmar, Bangladesh and Nepal.

The three versions
cannot be built simultaneously.

Change your scenery

Tip: The blossoms included here are purple and yellow hibiscuses, blue poppy, rhododendron and yellow magnolia. You can rearrange them any way you like around your tiger, or even swap them with other elements from the LEGO® Botanicals series, if you have them.
